

City Council Report May 5, 2026

1. Ballfields are up and running for the year.
2. I would like to give a big thank you to CHS for the donation of fertilizer for our parks and ballfields.
3. We are going to start prepping the pool for the season.
4. Julie and I are going over applications for the pool this year.
5. The Tree Board secured money for 3 Honey Locust Trees that will be planted this Thursday, 2 by splash park and 1 in Keil Park.
6. Public Works also purchased an American Linden Tree to replace a tree that blew down in the Legion Park.
7. We have been repurposing dumpsters during bad weather.
8. A new roof was put on the dog pound.
9. I have been gathering information to get to engineers on any water or sewer concerns we may have.
10. We have been cleaning sewers with Jet Truck.
11. Alley cleanup is next Monday.
