I would like to have **discussion/action** to set a **town hall** meeting for 6 months out at a time and date that works for all Council and Mayor.

I will make a statement at the meeting about my thoughts.

Amber,

What is it you want to appear on the next agenda? I'm not sure a Town Hall is the answer by you own admission forks on both sides of the issue might be reluctant to respond/attend for various reasons. I also expect we would get the vary vocal minority willing to speak their minds. I'm still not sure why you are pushing this and no one has really given a reason. Long before I became mayor I had some of the commissioners pushing for a merger and the PD was well staffed and functioning normally. If you want to do some objective research that's great and I would think you will find that mergers never work out well for the cities and those towns that have the Sheriff doing their law enforcement are disappointed with the services they get.

Regards,

David Cates
