Good Morning Mayor Cates,

I wanted to reach out and ask if the City would be willing to donate the use of the Norley Hall facility for our upcoming Community Health Fair. We are looking to utilize it the afternoon of September 30th and all day of the health fair on October 1st. The facility rental represents a significant expense for this community-wide event, and any support the City could provide would help us maximize the resources available for serving community members.

When we held an event this past spring, the facility rental fee was \$150. As we work to keep the event accessible and impactful, we are exploring opportunities to reduce costs wherever possible.

I would appreciate your consideration of this request and would be happy to discuss the event, its community benefits, or any questions you may have.

Thank you for your time and support. I look forward to hearing your thoughts.

Have a wonderful Friday.

Amy Shaw
