Subject: Library Board Trustee Appointment

Good morning Mayor David,

Per previous emails, three people submitted interest forms for the open Library Board of Trustees position. I would like to recommend Karen Berg for the term beginning July 2026 and ending June 30, 2031. Karen is an active patron of the Conrad Public Library, attended a board meeting to ensure she can commit the necessary time and effort, and has shown support for public libraries and their positive community impacts.

Thank you for your consideration.
