Good morning,

Logan Health Conrad is asking for the City's approval to host the Whoop-Up Fun Run again this year on Saturday, June 6 at 8:00 a.m. at Meadowlark School.

Routes for the 1 mile and 3 mile are attached. We will plan to spray paint the roads the night before, and add a couple sandwich board signs with directions the morning of the race. We would like to borrow the City's cones again to block the road front traffic in front of Meadowlark. Last year we registered 74 timed and registered participants, and many more joined for free without needing to register. We're looking forward to another great year.

Please let me know if you have any questions. Thanks!
