City Council Report Oct 6th 26

1. Everything is Winterized for the season.
2. Street Cleaner is in heavy use picking up leaves and debris.
3. Met with the State on their up coming main street project, went over location of utilities with them.
4. Oct 19th will be Alley cleanup.
5. We got crosswalks in the school districts painted.
6. Replaced a couple of lights in our downtown area.
7. We have a meeting set up with DEQ about any upcoming recording limits or future testing needed for Wastewater before submitting plans on Wastewater Plant upgrades.
8. We have sent off our 2nd PFAS sample to the lab.
9. We plan on cleaning storm drains with jet truck if weather allows.
