

City Council Report

1. Parks dept was able to clean up Vandalized Bathroom.
2. There has been a lot of “tagging” on public utilities.
3. Both sets of playground equipment have been delivered and a call for bids to install will be in paper and online.
4. We have been having to adjust some days for garbage pickup as we can’t dump at landfill if too windy.
5. We have some tree cleanup in the parks we will be starting on.
6. We will be replacing three fire hydrants in the coming month.
7. Storm Sewer project will be starting again on 3/16.
8. Keith and I are attending Rural Water conference In Billings 3/23-3/25.
