

This map was prepared September 2010 by Global Positions, LLC as part of the Pondera County Growth Policy Project. Spatial data (base maps) were obtained from the Montana Geographic Information Clearinghouse (NRIS).

Projection: Lambert Conformal Conic
Coordinate System: State Plane, Zone 2500
Units: Meters **Datum:** NAD1983

Land Use / Tax Classification **Map 5**
Conrad, MT
 Tax Classification shown on this map is from Montana Department of Revenue (DOR) Cadastral Survey Data. The attribute "property type" was used to classify the parcels based on current use, such as residential, commercial, industrial, vacant, etc.
 The Montana Department of Administration and Information Technology Services Division with Montana Department of Revenue maintain the Montana Cadastral Database which is comprised of taxable parcels (fee land) and public land (exempt property).

Land Use / Tax Classification		Map Legend	
Commercial Urban (CU)	Industrial Urban (IU)	School	
Commercial Rural	Industrial Rural (IR)	Hospital	
Residential Urban (RU)	Non-Valued Property	Police / Court House
